IAEM Appoints GECS (Global Emergency Care Skills) as official Charity to ICEM 2012

The Irish Association for Emergency Medicine has appointed Global Emergency Care Skills (GECS) as the official charity for the [14th International Conference on Emergency Medicine \(ICEM\)](#) which will be held at the Convention Centre Dublin from 27th to 30th June 2012.

GECS is an Irish voluntary non-profit organisation with the core objective of providing Emergency Care training to doctors and nurses in countries with developing healthcare systems, thus reducing morbidity and mortality. A charity with such a remit is a worthy partner of ICEM which is the biennial world Emergency Medicine meeting, being hosted on behalf of the [International Federation of Emergency Medicine](#). GECS will be holding a number of information and fundraising events during the ICEM 2012 meeting.

There will be a Summer Dinner at the St. Stephen's Green Hibernian Club on Wednesday 27th June, a Comedy Evening fundraiser on Thursday 28th June 2012 at the Laughter Lounge on Dublin's Eden Quay and the world's first ever Resuscitation Triathlon at the GECS stand at ICEM.

For more information come visit the GECS stand at ICEM or contact info@gecs.ie.
